

The Catholic High School of Baltimore

January 2018 - Happy New Year!

Letter from the President

Dear Alumnae,

Welcome to 2018! I hope you and your family had a wonderful, restful Christmas holiday and New Year celebration. A new calendar year brings a different set of opportunities and challenges. There is something about this time of year that motivates me to set new and exciting goals for myself, both personally and professionally. I hope that one of your goals is to stay connected to Catholic High, as we are grateful for the tremendous support and engagement of our Alumnae.

As you see in this publication, Catholic High is a whirl of activity. For your convenience and planning, we have included information about all of the events scheduled for the second half of the school year. I look forward to seeing you!

Speech & Drama Performance

On Wednesday, January 10, 2018, Mrs. McGuire's "Speech and Drama" class took a field trip to Good Samaritan Hospital's Child Care Center and performed the play *Hansel and Gretel*. In their version of this classic story, the students incorporated songs about the importance of brushing your teeth and healthy eating habits. The audience loved every minute of the show, and the students enjoyed sharing their time with the children and passing on these lessons in a fun way!

Great job, ladies!

Common Homeroom

Shannon Lord '17 made an appearance during common homeroom on Wednesday, January 10, 2018. The recent graduate currently attends University of Maryland, Baltimore County. She talked to the students about her passion for Martial Arts, and how this can be used to protect yourself in uncomfortable situations.

Shannon first discussed a number of ways to prevent a dangerous situation. She then demonstrated a Martial Arts move, known as the palm strike, that can be used to protect yourself if necessary. The students had the opportunity to practice the new move afterwards!

Thank you, Shannon, for coming back to Catholic High and teaching us these great safety tips!

The following day in common homeroom, Board Member, Pat McElroy '78 and her brother, Tim Bonner, from Tim's Automotive & Towing, came to share important car care and safety advice with our students.

Mrs. McElroy and Mr. Bonner covered the following topics:

- Knowing the car you are driving

- Pre-trip inspection
- Maintenance of your vehicle
- Tire Care
- Winter Driving

Tim's Automotive & Towing provided the students with an awesome gift of a 10% discount card for parts and or maintenance of vehicles.

Special thanks to Mrs. McElroy and Mr. Bonner for taking the time to educate our students about car care and safety!
