

The Catholic High School of Baltimore

September 2017

Letter from the President

Dear Alumnae,

The Catholic High School of Baltimore is moving full speed ahead as we begin the 2017-2018 school year! The freshmen have met their big sisters at the Meet & Greet pizza party. The sophomores and juniors are beginning to adjust to a more rigorous work load while our seniors have met their little sisters and are focusing on college applications. Our students never cease to amaze me with how they balance their academics with athletics, clubs and other extracurricular activities.

This October we are hosting our 6th Annual Alumnae Weekend. I hope you will attend and see all of the exciting improvements that the school has made over the years. This is a great event to rekindle old friendships, experience Catholic High, 2017, and take a trip down memory lane. I hope to see you!

Sincerely,

A handwritten signature in cursive script that reads "Barbara D. Nazelrod Ph.D.".

Dr. Barbara D. Nazelrod '68
President

TCHS News

First Day of School

We welcomed back our students on September 5, 2017! The first day of school was full of smiles and excitement as students reunited with friends and started the new school year. We hope everyone has a fantastic year!

Freshman Retreat

This year's theme for Freshman Retreat was "Igniting the Flame." The freshman class talked about the importance of reverence in the TCHS community. The students also bonded during various activities throughout the day.

Locker Decorating

It is a tradition at Catholic High for the big sisters to decorate their little sisters lockers. It is always a big surprise for the freshman to walk into the locker room and see their locker decorated with a unique theme!

Mass of the Holy Spirit

On Wednesday, September 13, we celebrated our first liturgy of the school year, the Mass of the Holy Spirit. After Mass, Father Roth blessed the cornerstone of the school and prayed for those who learn and work at Catholic High. This was last blessed in 1939 by Archbishop Curley!
